

DEAN'S LIST

In recognition of undergraduate students who demonstrate high levels of scholarship LAPU has established a Dean's List. Placement on the Dean's List requires:

- completion of all attempted credits in the semester as of the date academic status is determined (typically within two days of the grading due date (<https://catalog.lapu.edu/undergrad/academic-calendar/>)),
- completion of at least a half-time (<https://catalog.lapu.edu/undergrad/policy/study-load/>) credit load for the semester (six credits or more), and
- a GPA of at least 3.50 for the semester.

Only degree-seeking students are eligible for Dean's List recognition.

Transcripts of students who have earned Dean's List recognition will show an academic status of "Dean's List" for each applicable semester.
